Lincoln City Evacuation Plan

- The City evacuation was on the city web site during August 2021 for public review and comment.
- The plan covers more than just wildfire evacuations, it also includes – General evacuation routes out of town, Tsunami evacuation routes, chlorine leak buffer zones and bridge failure bypass routes.
- The plan also addresses potential evacuation areas, shelter information, special needs populations.
- The plan also provides initial assignments for the City Emergency Operation Center to open.
- The plan is based upon using all available communication platforms to notify the citizens/visitors in Lincoln City.

Items that will require continued emphasis

- The continued development of communications capabilities.
- The recognition and future planning for recommended road networks

Request members of the City Council approve the plan by signing the inside cover of the plan. The plan is located at;
