

CITY COUNCIL NEWSLETTER

June 2022

Hello Lincoln City!

I would like to start by thanking everyone for such a warm welcome to Lincoln City. It has been a month now and I am diligently working to get up to speed regarding City operations while also keeping a keen eye out for enhancement and improvement opportunities. We have no shortage of projects and programs underway along with many long term projects in the queue. I am very grateful to be working with such a conscientious and engaged City Council and City staff; as our success is dependent on the amazing work they do day-in and day-out.

I would be remiss if I did not thank Lila Bradley for keeping all of the projects and work underway and progressing prior to my arrival. In closing, I am looking forward to the many upcoming opportunities to engage and collaborate with Council, City staff and community members to successfully accomplish the work we have ahead of us. Daphnee Legarza - City Manager

Polystyrene Container Ban Reminder

Since **July 13th, 2021**, the ban on foam polystyrene food containers is enforced. Violations will be Class C misdemeanors that include fines. Styrofoam is a major source of ocean pollution. It breaks down into microplastic pieces that literally take thousands of years to fully decompose.

Lincoln City Parks & Recreation (LCP&R) is proud to announce the grand opening of the **first** Dog Park in Lincoln City, which opened on Fri, June 10th. The Dog Park is located at the Community Center Park, 2150 NE Oar Pl.

The newly fenced park hosts an ADA entrance pad, human and dog water fountains, tables, doggie bag stations, and a doggy fire hydrant, the dog park equivalent of the office water cooler! Park construction occurred within 6 months, with much of the work completed in-house by Lincoln City Parks Maintenance.
