COUNCIL CORNER
Recognizing Our Volunteers

The City would like to recognize and thank the many volunteers that make up the various Lincoln City Boards and Committees. These individuals volunteer their time to provide guidance and recommendations to City Council on topics that help shape the community. This month the City could like to recognize Lenny Nelson, member of the Planning Commission. The Planning Commission acts as an advisory board to City Council on all planning and development issues in the City. Lenny became involved with the Commission because there is always something new to consider. Recently, Lenny and the Planning Commission worked with the Planning Director to reorganized most of the City’s regulations so that they are easier for citizens and developers to use. They are also reviewing environmental legislation. Lenny hopes to help keep Lincoln City livable and affordable.

When asked what she enjoys about Lincoln City, she said “Of course there is the ocean. The people are very kind and helpful to one another and the small town atmosphere is comforting.”

If you are interested in volunteering for a position, please visit www.lincolncity.org/boardsandcommittees.

Upcoming Meetings:

Lincoln City Parks & Recreation have started in-person outdoor fitness classes at the Community Center parking lot. Open Air takes place three days a week at 11am. On Monday and Wednesday yoga, mobility, stretching, cardio and body-weight exercises are offered. Friday is geared towards family fitness with circuit stretch and exercises, music and dancing. Open Air is spread out through the parking lot to ensure social distancing and safety for our participants. The workouts last 30-minutes and are free to anyone. Per the governor's orders, LCP&R asks attendees to follow safety guidelines and wear a mask.

Since July the Lincoln City Parks Maintenance crew have focused on one open space per week, to maintain and improve the trails. This includes widening the trails when needed, removing invasive species, abating erosion with gravel and other ground cover, removing downed trees, etc.

The Recreation staff are also highlighting our Open Spaces, once per week, via a visual "Trail Tour" series. These trail Tours highlight the trailheads, correct parking locations, wildlife and foliage, proper trail etiquette, Leave no Trace policies and the overall beauty of our Open Spaces in LC. Please check out the Lincoln City Parks and Recreation FB page to view these videos.

On August 10, 2020 City Council adopted the new Roads End/Villages at Cascade Head Urban Renewal (Tax Increment Finance) Plan. Urban Renewal is a program authorized under state law and implements locally that allows for the concentrated use of property tax revenues to upgrade certain designated areas of a city or county. It is not a new tax or an increase in taxes. For more information visit the City’s Roads End/Villages at Cascade Head Urban Renewal Draft Plan webpage.

The City of Lincoln City is replacing a bridge at NE 22nd on West Devils Lake Road. West Devils Lake will be restricted to one lane beginning Monday, August 17 thru August 30th. West Devils Lake road will be closed beginning Monday, August 31st and continue through September 21st.

Traffic Detour routes will be provided on NE 22nd and NE Holmes Road. Hospital access will be from Holmes Road or the intersection of West Devils Lake Road and Highway 101. For the public accessing the area for non-emergency purposes, we ask that you use the route from Hwy 101 and NE West Devils Lake Road to help limit the increased traffic on NE Holmes Road. The pedestrian bridge will be closed during the 21 days for safety reasons.
