COUNCIL CORNER

The Lincoln City City Council seeks public input for the renaming of the Villages at Cascade Head. It is unfortunately named because its location is not actually at Cascade Head (which is over the river and in another county). It is also the name of a failed development of years ago. It is a beautiful treed area with trails including the one to get to the Knoll. The City is the owner of the majority of the area (over 300 acres) and wishes to develop it into housing with a commercial area that respects the special place that it is. You can help by providing input on its renaming. A survey will be made available to the public via the City’s website and various other channels beginning on June 22 thru July 6. Lincoln City Police Department: New Facility Update

The new facility is nearing completion. On Tuesday, June 16th the entire 911 Dispatch Center was successfully moved to the new building with no disruption in service. Dispatch is vital to the operations of LCPD, serving as the communication core.

CITY UPDATES

- Governor Kate Brown announced Wednesday, June 17 that she will be instituting a requirement to wear face coverings while in indoor public spaces, such as grocery stores and other businesses, for the following counties: Multnomah, Washington, Clackamas, Hood River, Marion, Polk and Lincoln. This will take effect Wednesday, June 24. The full press release can be viewed here. Governor Kate Brown’s Executive Orders can be viewed here. Access the Oregon Health Authority Guidance on County Specific Face Covering Requirement here.
- Lincoln City is currently in phase 1 of reopening. Find phase one reopening information for businesses here.

- Contact tracing is currently underway statewide throughout Oregon. For resources and information on how contact tracing works and the collaborative effort click here.

Friendly Reminder

Throughout the spring and summer months the growth of vegetation can quickly get out of hand. The City of Lincoln City asks residents to please keep their lawns and weeds under control on their property.

It is important to control noxious vegetation to preserve native plants and the ecosystem. City regulations on noxious vegetation can be viewed by accessing the Lincoln City Municipal Code. Please be conscious and mindful of your property.

Lincoln City Quiet and Safe 4th of July

Lincoln City's two fireworks shows, July 3rd over Devils Lake and July 4th over Siletz Bay, have been canceled due to the COVID-19 pandemic. We encourage everyone to expect a very different 4th of July weekend, one with sounds of the surf and relaxation. We also want to ensure the safety of all and we remind everyone that illegal fireworks are not welcome and violations will be enforced.

For legal and illegal fireworks in Oregon and more information visit www.lincolncity.org
