Lincoln County Short-Term Lodging
March 25, 2020

The City of Lincoln City has received a number of questions from Lincoln City’s lodging industry regarding the prohibition of short-term rentals.

Click the link below for answers to the most frequently asked questions.

A log sheet, developed by Lincoln County, has also been included. This log can be used to keep track of occupant exceptions to the State orders. Keep these logs on hand so when law enforcement stops by to check on occupant status, they can review the log and not have to go door-to-door to verify individual occupants.

For additional questions or concerns, and for those regarding inspections, status of applications, status of renewals, land use approval, and issuing licenses, please contact Planning Director, AnneMarie Skinner at askinner@lincolncity.org or 541-996-1227.
