ARTICLE 1 - RECOGNITION

Section 1. Recognition.

The City recognizes the Association as the exclusive bargaining agent for all employees of the Lincoln City Police Department regularly employed twenty hours or more per week in those job classifications listed in Appendix A hereof, and for such new classifications that may be established by the City and included within the unit in accordance with the section below New Classification during the term hereof.

Section 2. New Classification.

(a) In the event the City creates a new job classification and rate of pay which it believes to be outside the scope of the bargaining unit, it shall so notify the Association and upon request provide the Association with a description of the job duties of the position. If the Association believes the position should properly be included within the bargaining unit, it may, within fourteen (14) calendar days of receipt of the job description, give notice to the City of their intent to seek inclusion under PECBA.

(b) If the City creates a new job classification and rate of pay or modifies existing job classifications and rates of pay that it believes to be within the bargaining unit, and in the event a position is found to properly be within the bargaining unit as provided for above, it shall notify the Association of the new position before a wage rate and other conditions of employment have been finalized. Such notice shall specify a proposed wage rate and also detail any other provisions of the agreement which will not apply and/or be modified with respect to that position.

(c) Upon receipt of such notification, the Association shall have fourteen (14) days in which to notify the City of its desire to enter into negotiations, pursuant to ORS 243.650-243.782, over the proper wage rate and such other conditions as it may specifically cite. Upon receipt of such notice, the City and the Association agree to enter into negotiations. The City may at its option delay implementation of the new classification pending conclusion of such negotiations or implement the new classification and provide a retroactive adjustment to the date of implementation upon conclusion of negotiations.

Section 3. Position Descriptions.

Individual position descriptions shall be reduced to writing and delineate the duties currently assigned to an employee's position. A dated copy shall be given to the employee upon assuming the position.
ARTICLE 2 - ASSOCIATION RIGHTS

Section 1. Employee Organizations.

Employees shall have the right to form, join, and participate in the activities of employee organizations of their own choosing, for the purpose of representation on matters of employee relations. Employees shall also have the right to refuse to join or participate in the activities of any employee organization pursuant to the requirements of the PECBA and Section 6 of this Article.

Section 2. Non-Discrimination.

The provisions of this Agreement shall be applied equally to all employees in the bargaining unit without discrimination as to age, marital status, race, color, disability, sex, sexual orientation, gender identity, religion, national origin, Association affiliation, or political affiliation. The Association shall share equally with the City, the responsibility of applying the provisions of this Agreement.

Section 3. Dues Deduction.

Upon the written consent of an employee within the bargaining unit, the City will begin deducting Association dues for the next pay period and will continue to make the regular deduction until such time as the employee rescinds the request in writing. The aggregate deductions of all employees shall be remitted together with an itemized statement to the Secretary-Treasurer of the Association, no later than the 10th of the month following the month for which the deductions were withheld. The Association will indemnify, defend and hold the City harmless against any claims made or any suit instituted against the City on account of any payroll deductions for the Association. The Association agrees to refund to the City any amount paid to it in error.

Section 4. Association Representatives.

The Association shall designate four (4) or more employees as Association Representatives and provide written notification to the City as to the employees so designated. Association Representatives shall have full authority to represent the Association in grievances and other circumstances where contract interpretation may arise. Association Representatives and other employees shall not suffer a loss of their regular pay as a result of time spent in grievance meetings with supervisors, the Chief, the City Manager or other City representatives. Other Association/Management meetings may, when such is mutually convenient, be held during the regularly scheduled work hours of the employee or all of the employees involved without loss of regular pay to such employees. This section shall not be construed so as to prevent the Association Representative(s) from consulting with or obtaining direct assistance from the Association.
Section 5. Bargaining Committee.

When negotiation sessions are held during the regularly scheduled work hours of one (1) or more of the Association's previously designated bargaining team members, up to two (2) of such team members shall be allowed time off from work without loss of pay for the purpose of attending such negotiation sessions. However, those on-duty employees will be expected to respond to emergency calls.

Section 6. Fair Share.

(a) Dues Deduction.

The parties agree to a fair share agreement and, in accordance with such, it is agreed that each employee who is a member of the bargaining unit herein defined but is not a member of the Association shall be liable to contribute to the Association as representation costs, an amount equivalent to the uniformly required dues paid by Association members. The City agrees to deduct an amount equal to the uniformly required monthly dues paid by members of the Association from the wages of each employee covered by this Agreement.

(b) Religious Exemption.

If an employee certifies in writing the presence of bona fide religious tenets or teachings of a church or religious body of which such employee is a member and if such employee provides concurrently, authorization for United Way deduction equal to the fair share amount, the provisions of Section (a) hereof shall not apply. An in-lieu-of fair share payment other than United Fund may be mutually agreed between the Association and the employee. In such instance, the Association and the employee shall provide written notification and/or authorization to the City as applicable.

(c) Indemnification.

The Association agrees to indemnify and hold the City harmless from and against any and all claims, suits, orders of judgments brought against the City as a result of the City's compliance with the provisions of this Section and to reimburse any fees, costs or expenses incurred by the City in connection with same.

ARTICLE 3 - MANAGEMENT RIGHTS

Section 1. Reserved Rights.

It is recognized that an area of responsibility and authority must be reserved to the City if City government is to serve the public effectively. Except to the extent expressly abridged by a specified provision of this Agreement, it is recognized that the responsibilities and authority of management are exclusively functions to be exercised
by the City and are not subject to negotiation or the grievance procedure. By way of illustration and not of limitation, the following are listed as such management functions:

(a) The determination of the governmental services to be rendered to the citizens of Lincoln City.

(b) The determination of the City's financial, budgetary, accounting and organization policies and procedures.

(c) The right to establish and administer separate personnel and employment benefit rules and policies for non-bargaining unit personnel. The continuous overseeing of personnel policies, procedures and programs promulgated under any other term of this Agreement.

(d) The management and direction of the work force including the right to determine the methods, processes and manner of performing work, the establishment of new positions and the determination of the duties and qualifications to be assigned or required; the right to hire, assign, schedule, promote, demote, transfer and retain employees; the right to lay off for lack of work or funds; the right to abolish positions or reorganize the departments or divisions; the right to purchase, dispose and assign equipment or supplies; the right to set standards for appearance, uniforms and equipment; the right to formulate, change or modify departmental rules, regulations and procedures; the right to take all necessary action to carry out its mission on emergencies; the right to contract or subcontract any work as long as any bargaining obligations under current law are met.

Section 2. Consultants.

This Article shall not preclude the Association and the City from either (1) meeting during the period of the contract at the request of either party to discuss procedures for avoiding grievances and other problems and for generally improving relations between the parties or (2) negotiating during the open negotiation period.

Section 3. New Policies.

All new department policies will be forwarded to the Association President for review by the Association at least thirty (30) days prior to implementation. Within fourteen (14) days the Association will advise the Chief or designee if the Association has any objections or input to the proposed policy. If the new policy involves a change in a mandatory subject of bargaining, and the Association demands to bargain within fourteen (14) days of the above referenced notice, the parties will bargain them as required by Oregon law.
Section 4. Emergency.

For purposes of this Agreement an “emergency” is an unforeseen event or circumstances, not directly caused by the City, which by its nature dictates an immediate response.

ARTICLE 4 - CITY SECURITY

The Association and its members as individuals or as a group will not initiate, cause, permit or participate or join in any strike, work stoppage, or slowdown, or any other restriction of work at any location in the City. Employees in the bargaining unit, while acting in the course of their employment, shall not honor any picket line established in the City by the Association or any other labor organization when called upon to cross such picket line in the line of duty. Disciplinary action, including discharge, may be taken by the City against any employee or employees engaged in a violation of this Article. The City agrees that at no time will it institute a lockout of the employees in the unit.

ARTICLE 5 - FILLING OF VACANCIES

Section 1. Posting of Vacancies.

All job announcements for vacancies for the Lincoln City Police Department shall be posted on the bulletin board for two weeks before the filling of vacancy and shall include the following:

(a) Title of position open,
(b) Brief description of duties and work to be performed'
(c) Pay range (in dollars),
(d) Minimum qualifications for employment and
(e) When and where to file an application.

Section 2. Filling of Full-time Dispatch Vacancies.

Any full-time vacancy of a dispatch position shall be offered first to the part-time dispatcher with the most seniority. If rejected within the time provided, it shall be offered to the next most senior part-time dispatcher and so on until the position is filled. This may be done without the need to post as described in Section 1 of this Article. If all part-time dispatchers reject the offer to fill the full-time vacancy, the process outlined in Section 1 of this Article shall be followed.
Section 3. Justification of Denial.

If an employee does not receive a requested promotion or transfer he/she may request in writing and shall receive in writing the reason for denial of the promotion or transfer.

ARTICLE 6 - PROBATIONARY PERIOD & CLASSIFICATIONS

Section 1. Initial Probationary Period.

All sworn personnel shall serve a probationary period of eighteen (18) months from his/her date of hire. All non-sworn personnel shall serve a probationary period of twelve (12) months from his/her date of hire. Sworn personnel who are hired as lateral entry employees and who are already certified by Oregon DPSST shall serve a probationary period of twelve (12) months from his/her date of hire.

Section 2. Promotional Probationary Period.

A promoted employee may be removed from the higher classification for any reason during the promotional probationary period of six (6) months.

Section 3. Bumping Rights During Promotional Probationary Period.

(a) In the event that a promoted employee serving probation is laid off during the probation period, the promoted employee shall have the right to bump back into his/her previous classification.

(b) The Association recognizes that newly hired probationary employees may be discharged or disciplined at-will; promoted employees within the probationary period may be returned to the former classification upon the City's determination to do so without due process or appeal.

Section 4. Regular Employees.

A regular employee is one who is appointed to a budgeted position after completing the probationary period and employed on a full- or part-time basis. A full-time employee is one who holds an appointment at 1.0 FTE and regularly works the full workweek. A part-time employee is one who holds an appointment of .5 FTE and regularly works at least twenty (20) hours a week on average.

Section 5. Job Classifications.

Police officer, senior police officer and detective positions are considered to be within the same job classification of police officer. Sergeants and dispatchers are each in their own classification. The Code Enforcement Officer, Police Administrative Assistant and Evidence Technician are each in an individual job classification. Each classification shall be considered separately when applying certain rights outlined in this Agreement, such
as layoff and recall as set forth in Article 8 and overtime scheduling as set forth in Article 13, Section 5.

ARTICLE 7 - SENIORITY

Section 1. Seniority.

(a) Unless stated otherwise, seniority as used in this Agreement is determined by the length of continuous service in an employee's classification.

(b) Part-time employees accrue seniority at pro-rata rate of accrual in relation to a full-time employee.

(c) If more than one (1) employee is hired on the same date, placement order on the eligibility list will dictate the order of seniority.

Section 2. Anniversary Date.

Effective at execution of this Agreement, the anniversary date will be defined as the date on which the employee began full- or part-time employment with the Police Department. This date will be used to issue step increases. This date shall remain the same regardless of promotions or reclassifications as a part- or full-time employee.

ARTICLE 8 - LAYOFF AND RECALL

Section 1. Layoff.

(a) A layoff is defined as a separation from the service for involuntary reasons, other than discharge, not reflecting discredit on an employee.

(b) An employee shall be given written notice of layoff at least thirty (30) days before the effective date of the layoff, unless due to factors not within the control of the City it is impractical to provide such prior notice.

(c) In the event of layoff, employees shall be laid off in the inverse order of seniority within the job classification.

Section 2. Recall.

(a) Employees shall be called back from layoff according to seniority in the classification from which the employee was laid off within the department.

(b) An employee who is laid off shall remain on the laid off list and be eligible for recall for eighteen (18) months following the layoff. No new employees
shall be hired to any position until all laid off employees who are fully qualified for the position have been given an opportunity to accept the position.

(c) The City shall notify laid off employees, in the order of their seniority within the job classification, of a position opening by certified letter return receipt requested at his/her address of record as maintained in the City Manager’s office. Laid off employees are responsible for notifying the City of a change of address. Laid off employees shall have ten (10) days from date of mailing of such notification (or from the date of mailing if mail is returned as undeliverable or if the employee failed to notify the City of a change of address) in which to indicate their acceptance or rejection of the position and an additional fourteen (14) days there from in which to begin active employment. The City may, however, specify a later reporting date or the employee and the City may mutually agree to an earlier or later reporting date.

If an employee fails to respond to such correspondence sent to his/her last known address (return of certified letter) or if he/she rejects recall to his/her former classification, he/she shall forfeit all reemployment rights. However, an employee who is offered recall to another classification may accept or reject such position without loss of recall rights as provided herein. Employees who wish to waive reemployment rights may do so by written notification to the City.

(d) Employees recalled from layoff shall have all previously accrued sick leave and seniority reinstated but shall not accumulate benefits during the period of layoff.

Section 3. Bumping.

Any bargaining unit employee who is to be laid off who had advanced to his/her present classification from a lower classification within the bargaining unit, in which he/she held a regular appointment, shall be permitted to displace the least senior employee in the previously held lower classification. Seniority for the purpose of bumping to the lower classification shall be the aggregate of the bargaining unit employee’s seniority in all bargaining unit classifications.

Section 4. Part-Time Employees.

Part-time employees shall be laid off before full-time employees in the inverse order of seniority within the job classification. An employee with greater part-time seniority may not displace a full-time employee but may displace a part-time employee with less seniority.
Section 5. Severance Pay.

When a regular full- or part-time employee loses employment with the City due to layoff, the employee will receive severance pay when all of the following are met:

(a) The employee is not offered another full- or part-time position with the City,
(b) The position is eliminated with less than three (3) months notice to the employee and
(c) The employee and an LCPEA Representative sign a full release of liability to the City approved by the City Attorney.

Severance pay will be in the amount of base pay (less payroll taxes) for a period of equal to one (1) week for each year of service (calculated based on full years of service) but no less than two (2) weeks.

ARTICLE 9 - SAFETY

Section 1. Mutual Responsibility.

The Association and the City recognize that both the employees and City management share a mutual concern and responsibility in promoting the safest possible working environment. Employees will abide by all safety rules of the City.

Section 2. Reporting and Correction of Deficiencies.

In accordance with such, employees shall be expected to report equipment deficiencies promptly and the City shall act upon such reported deficiencies promptly. When reported deficiencies cannot be promptly corrected, the employee(s) who reported same shall be so advised and shall further be advised as to the reasons therefore.

Section 3. Safety Committee.

The Association shall designate an on-duty representative to attend the City-wide Safety Committee. The Safety Committee shall have the following duties/powers along with other responsibilities provided for in Oregon Administrative rules and laws:

(a) Make periodic inspections of the City's facilities and make recommendations for safety improvements,
(b) Investigate the cause(s) and prevention of reportable accidents and injuries as defined by OSHA and
(c) Promote and recommend the education of employees related to safety and health issues.

ARTICLE 10 - EDUCATION/TRAINING

Section 1. Reimbursement.

(a) The City shall reimburse an employee for attending classes approved by the Chief in writing before the class begins and the student must receive a 2.0 grade or better, or a pass if no grade is available for the class.

(b) The Chief will consider such factors as: whether the class is job-related, provides a skill beneficial to the City, or is a class which is a prerequisite for a degree. However, the following limits shall be placed on the reimbursement:

i. The City shall reimburse no more than four hundred fifty dollars ($450) per class.

ii. No employee shall receive more than two thousand dollars ($2,000) in education reimbursement per fiscal year.

iii. Reimbursable expenses include, but are not limited to, registration fees, tuition, course materials, service fees and books.

iv. The total Association education/training reimbursement for any fiscal year will not exceed ten thousand dollars ($10,000).

v. Agreements to reimburse will be made on a first-come first-served basis.

vi. Employees may request an exception to the above limits. Requests must be made in writing to the Chief who will decide on a case-by-case basis.

Section 2. Training.

(a) Employees leaving a training session without authorization shall be subject to disciplinary action and/or reimbursement to the City for training expenses.

(b) Employees authorized to carry firearms shall complete all required defensive tactics and firearms training. The City shall provide all necessary ammunition. Any employee who demonstrates to the firearms instructor a need for additional firearms training shall receive necessary coaching, counseling, and ammunition. The City agrees to provide each
employee who is authorized to carry a sidearm with fifty (50) practice rounds every month.

Section 3. Minimum Training Hours.

The City shall provide each sworn officer with a minimum of eighty (80) hours of training per year to include patrol tactics, defensive tactics and firearms.

ARTICLE 11 - TRAVEL EXPENSE

Section 1. Mileage.

An employee shall be paid at the current IRS rate per mile for employee business expenses for required and preauthorized travel out of town on City business. Weekly travel to and from the Academy shall also qualify for mileage reimbursement. Commuting to Court from an employee's residence will not qualify for mileage reimbursement.

Section 2. Expenses.

The City shall reimburse actual and reasonable receipted expenses incurred during the performance of official duty as a City employee for the City's benefit.

Section 3. Out-of-Town Travel.

When an employee is required to travel out of County on City business, the City shall provide such employee with an appropriate City-owned vehicle and a City Credit Card for allowable expenses, whenever possible.

ARTICLE 12 - WORK SCHEDULES

Section 1. Workweek.

(a) The workweek for employees will be on the basis of an eight (8) hour day/five (5) consecutive day week or seven (7) twelve (12) hour days in a two (2) week period or four (4) consecutive ten (10) hour days in a one (1) week period. The workweek shall commence at 12:00 a.m. (00:00 hours) Sunday and end at 11:59 p.m. (23:59 hours) Saturday. The City shall have the discretion to determine the need for using any one or any combination of these workweeks.

(b) Notwithstanding the above, the City and the Association recognize the value of meeting to discuss work schedules. To that end the City agrees to entertain suggested changes in work schedules proposed by the
Association. The City shall have the sole discretion to accept or reject all or parts of the Association's proposals.

(c) To the extent needed based on the twelve (12) hour shift schedule elected by the parties, the City and Association may elect to administer hours and overtime accounting as authorized by FLSA Section 7(k) in order that regularly scheduled hours of work do not constitute overtime recognized under application of work-week overtime computations.

Section 2. Workday.

A day for employees is defined as a twenty four (24) hour period, commencing at the beginning of the employees' scheduled shift. Each shift shall have regular starting and quitting times.

Section 3. Fourteen Days' Notice.

Work schedules shall be posted at least fourteen (14) days in advance and shall not be changed with less than fourteen (14) days’ advance notice, except as provided in the following:

Shift changes that occur without fourteen (14) days’ prior notification will be subject to the overtime requirements of Article 13 hereof. The overtime liability shall be limited to those hours of the first two (2) days of any shift change that fall outside the employee's previously scheduled work hours. However, if a shift change without the fourteen (14)-day prior notification is the result of an industrial accident, or a termination, or for other reasons which the City could not reasonably have anticipated and which are likely to result in an absence of two (2) shifts or more, the schedule change shall for purposes of overtime payment be treated as though the fourteen (14) day prior notification had been given.

Section 4. Shift Adjustment.

(a) To provide employees with the maximum amount of time to schedule their personal lives and to give the City flexibility to deal with staffing changes, Section 3 of this Article can be used to adjust shifts and days off to maintain adequate staffing for unforeseeable vacancies/absences, such as resignation and discharge. If a situation arises and a change of assignment is required, the City will use reverse seniority when determining which officers will be assigned to new shifts. An example of using reverse seniority would be if a vacancy occurs on a 0600-1800 shift and the City plans to temporarily remove a 9:00 a.m. shift and reassign an officer to work the vacated day shift, then the officer with the least seniority assigned to the 9:00 a.m. shift will be moved.

(b) This is not intended for the purpose of covering planned time off and does not relieve the City of paying overtime pursuant to Article 13.

Final Agreement – 9/28/2011
Collective Bargaining Agreement 2011-2014
City of Lincoln City / Lincoln City Police Employees Association
Section 5. Shift Rotation.

(a) Regular shift rotations shall occur quarterly (four (4) times per calendar year) for officers, sergeants and dispatchers. "Calendar year" is defined as the mid-December rotation through the next year's mid-December rotation. Shift rotation shall be conducted in such a manner so as to coincide with the change of academic quarters at area educational institutions as closely as possible, subject to such shift changes as may occur under the provision of Section 3 of this Article.

(b) Officers must work a minimum of one (1) day shift (0600-1800) and one (1) night shift (1800-0600) position each calendar year. Officers may not select the same shift on consecutive rotations. "Same shift" is defined as the same starting hours with the same three (3) calendar days off in a week and the same four (4) calendar days off the next week.

(c) In some cases, the least senior officer(s) may not be held to the one (1) day shift/one (1) night shift requirement if during the year there are no alternative shifts available when they bid.

Section 6. Cover Shifts.

The "cover shifts" (9:00 a.m. and 4:00 p.m.) are considered day and night shifts in all aspects but one: these shifts do not count for the requirement set forth in Section 5 of this Article to work one (1) day and one (1) night shift a year. Officers must work at least one (1) 0600-1800 shift and one (1) 1800-0600 shift per calendar year. The 9:00 a.m. and 4:00 p.m. shifts may be temporarily removed from the bidding process by the City depending on staffing levels.

Section 7. Shift Trades.

(a) The trading of a shift for one (1) or more days may be approved by the Chief of Police when both employees affected have submitted a signed Shift Trade Request form to the Chief at least one (1) calendar week in advance of the proposed trade. All proposed shift trades documented on the form shall include provision for a reciprocal trade with an assigned date that is within thirty (30) days from the proposed initial trade. In no case may an employee pay back a trade on a workday if the scheduled shift and the payback hours combine to greater than twelve (12).

(b) The time records shall reflect hours of work regularly scheduled by the participants in the trade, each of whom shall be paid accordingly. A "shift trade" notation will be made in the comment section of the timekeeping system to signal that a Shift Trade Request form exists reflecting the actual time worked. Voluntary shift trades do not affect hours of work in accordance with the FLSA. If a trade participant works hours in excess of the traded shift on the same workday, such hours shall be paid at the
overtime rate to the employee who performed the overtime work. Arrangements related to the payback of a trade are the sole responsibility of the trade participants and the City shall bear no responsibility for a failure to pay back. Once a trade is approved by the Chief of Police, the employee who agrees to trade assumes full responsibility to work the shift and is expected to fulfill the trade obligation.

(d) Trade and payback scenarios shall not involve more than two trade participants.

(e) A trade of a shift acquired by trade shall not be permitted.

Section 8. Shift Bidding for Officers.

(a) Shift assignments will be determined through seniority bidding.

(b) Bidding will begin in the middle of each rotation for the next rotation that is not yet posted. In other words, bidding for a rotation should be completed four (4) months prior to the start of that actual rotation. Officers should know their schedules with a minimum of four (4) months to a maximum of seven (7) months in advance.

(c) Officers will have two (2) working shifts to utilize their seniority shift bids. After the time expires, officers who have not bid will forfeit their seniority to the next person or persons on the seniority list. Officers who do not bid and passed their seniority right to do so, will not get another two (2) shifts to make a decision, it will immediately move to the next person on the list. After passing on seniority, the officer may bid at any time but may not bump anyone who has already bid. Potentially, the longer a person waits, the lower their seniority will drop. Once an officer has bid, he or she may not change or move his or her bid.

(d) Probationary officers assigned to an FTO do not have bidding rights.

(e) Probationary officers who reach solo status may or may not exercise their seniority rights in shift bidding subject to management discretion and depending on performance and need for further development or more experience on specific shifts.

(f) Vacation rights exercised during the January sign-up per Article 16, Section 2 will be honored regardless of schedule bid process.

Section 9. Shift Bidding for Dispatchers.

(a) During the month of December, in order of classification seniority, each full-time regular employee has a seventy-two (72) hour period within which to pick four (4) shifts for the year starting with the March rotation.
(b) Each dispatcher has to pick at least two (2) different shifts for the year. Example: Dispatcher #1 picks three (3) consecutive weekend graveyard shifts and then picks a weekday graveyard shift.

(c) After the shift bid process is complete, the Association will meet with management to come up with a rollover plan for the year. The goal will be to devise a rollover plan that does not require overtime and the parties will collaborate to that end. However, if shift vacancies remain during a scheduled rollover week, overtime may be necessary pursuant to Article 13.

(d) Probationary dispatchers assigned to an FTO do not have bidding rights.

(e) Part-time dispatchers will bid for part-time shifts at the same time as full-time dispatchers.

Section 10. Shift Bidding for Sergeants.

A rotation process is used in lieu of a bid process.

Section 11. SRO Shift Bidding.

The School Resource Officer (SRO) position is not subject to shift bidding during the school year. The employee assigned to that position is not required to fulfill the rotation mandate for the June to September sign-up. The employee assigned to the SRO position may use seniority to bid available shifts during the June to September rotation.

Section 12. Meals and Rest Periods.

All employees' work schedules shall provide for a paid fifteen (15) minute rest period during each one-half (½) shift for eight (8) or ten (10) hour shifts and provide for a paid meal period of not less than thirty (30) minutes each shift. For twelve (12) hour shifts, all employees' work schedules shall provide for three (3) paid fifteen (15) minute rest periods during each one-third (1/3) shift and provide for a paid meal period of not less than thirty (30) minutes each shift. All meal and rest periods shall be "on duty" and allowed only as operational requirements permit, however, the City shall make a sincere effort to provide relief coverage for dispatchers during meal and rest periods.

Section 13. Twelve-Hour Schedule.

(a) The City may opt to utilize a two (2)-week work period in which each employee so assigned will be scheduled for a total of seven (7), twelve (12)-hour shifts. In each two (2) week period, each affected employee shall have one (1) block of four (4) consecutive days off and one (1) block of three (3) consecutive days off.

(b) The only exception to this is during rollover at which time the City will try but may not be able to provide the three (3) or four (4) consecutive days
off in the employee's schedule. However, in lieu of this requirement, the City will ensure that each employee is scheduled for eighty-four (84) hours during the pay period that encompasses the rollover week.

(c) If the City utilizes a twelve (12)-hour shift for some or all employees and schedules work for employees accordingly, such that the employee is scheduled for eighty-four (84) hours in the pay period the City shall apply the partial overtime pay exemption set forth at FLSA 29 CFR 553.201 also known as the FLSA 7(k) exception, and each such scheduled employee shall accrue Compensatory Day Off (CDO) leave at four (4) hours per pay period in lieu of pay.

(d) If the employee is on workers compensation leave, light duty or an approved medical leave for one (1) day or more, the employee's schedule may default to an eight (8) hour day/five (5) day schedule, not to exceed eighty (80) hours per pay period, at the Chief's discretion.

(e) Employees may accumulate and carry up to fifty-two (52) hours of CDO time before they will be required to use it. It is the employee's responsibility to request CDO time off at least twenty-eight (28) days before the maximum is reached. If the employee requests CDO time off and it is denied, the employee shall submit a second request for CDO time off within the next fourteen (14) days. If it is denied, the City will reschedule time off for the employee to keep the accrued time under fifty-two (52) hours.

(e) The Chief of Police may, at his discretion, discontinue the twelve (12) hour schedule at any time. If the Chief chooses to discontinue said schedule, he shall give the Association at least fourteen (14) calendar days' notice.

Section 14. Officer/Dispatcher Shift and Daylight Savings Transition.

Hours of work in excess of forty (40) hours per week, or for police officers on forty (40)-hour workweek assignments of one hundred sixty-eight (168) hours in a twenty-eight (28)-day period, or on twelve (12)-hour shift assignments of one hundred seventy-one (171) hours in a twenty-eight (28)-day period, will be paid at the overtime rate. Employees who work fewer hours than those regularly assigned shall be paid a regular salary for the affected rollover workweeks or work periods and the difference shall be charged to the employee's vacation balance unless the time is actually worked with supervisor approval. Should an employee have insufficient vacation, holiday or CDO accrual, the difference shall be unpaid.
ARTICLE 13 - OVERTIME

Section 1. Rate of Pay.

(a) All employees required and authorized to work beyond forty (40) hours per week or eight (8) hours per shift (ten (10) if a four (4)-day workweek is adopted and applies) shall be eligible for overtime pay at one and one-half times their regular rate of pay which includes any incentive and longevity pay. In addition, overtime for employees on a twelve (12)-hour shift shall be compensated at the rate of one and one-half times (1 1/2x) the regular rate for all time worked beyond twelve (12) hours on the scheduled work day or eighty-four (84) hours in a two (2)-week period.

(b) Overtime hours shall be paid and computed to the nearest one-quarter (1/4) hour no later than the pay period in which the overtime is due according to the payroll calendar. Hours worked as overtime will be listed on the employee's pay stub. In no event shall overtime compensation be received twice for the same hours.

Section 2. Call Out & Telephone Calls.

(a) "Call out" is defined as an occasion where an employee has been released from duty and is called back to work more than two (2) hours prior to his/her normal starting time. An employee who is called out, including court and any education or training required by the City where any employee is not given time off from his/her regular work shift, shall be compensated for a minimum of three (3) hours at the overtime rate. A telephone call is not a call out unless the recipient is asked to respond to a different location.

(b) Work-related telephone calls of seven (7) minutes or longer shall be compensated at one-quarter (1/4) hour of overtime pay per phone call. It is the intent of the parties to comply with FLSA quarter hour rounding rules, and phone calls of less than seven (7) minutes are de minimus time and not compensable. If a phone call to an off-duty employee exceeds thirty (30) minutes, the employee shall be compensated for a call out subject to the minimum stated in this Article and Section.

Section 3. On Call.

(a) If an employee is required to leave a phone number where the employee can be reached or is provided a cell phone, the employee will be considered "on call" and the employee is free to engage in activities throughout the local area within cell phone range and a response time of thirty (30) minutes. On-call time is not compensable as hours of work.
(b) The City may advise employees of possible call-in requirements in advance, at which time the employee shall have the option of agreeing to remain available for possible future call-in or declining all call-in and consequent prospective overtime at the time of first contact from the City for that particular period and/or occasion.

(c) If the City requires an employee to remain accessible by cell phone for possible immediate dispatch, the City shall compensate the employee at four (4) hours pay at the base rate of pay.

Section 4. Paid Time Off.

All paid time off, including vacations, holidays and sick leave, shall be considered to have been hours worked for purposes of computation of overtime hours worked.

Section 5. Overtime Scheduling.

For purposes of this section a "qualified employee" is a paid, regular employee in the same job classification.

(a) Overtime shifts that are known to exist seventy-two (72) hours or less before the overtime shift is scheduled to begin, shall be offered to all "qualified employees" on a classification seniority basis, who are not already scheduled to work within a ten (10) hour period before or after the overtime shift. Overtime will be offered by calling or paging contact numbers posted in dispatch. If there is no contact, a message will be left (if possible) and the caller will move on to the next senior employee. If the most senior employee is unavailable, the first person to return the call or answer the call and accept the overtime offer will be chosen in order to cover the shift in a timely manner.

(b) Overtime shifts that are known to exist seventy-two (72) hours or more before the overtime shift is scheduled to begin, shall be posted and offered to all "qualified employees" on a classification seniority basis who are not already scheduled to work within a ten (10) hour period before or after the overtime shift. The posted signup shall include the date, time and with sufficient room for several "qualified employees" to sign. The Scheduling Sergeant or the Sergeant’s designee will review the signup list, determine who the most senior qualified employee is and then notify that employee of the impending overtime.

(c) When an overtime opportunity is made available, the qualified classification(s) will be designated.

(d) If no "qualified employee" within the police officer classification accepts the overtime shift, the Chief of Police or the Chief’s designee may mandate
any qualified employee to work the overtime shift if a sergeant will not volunteer to work the shift.

(e) In no event will an employee be mandated to work on his/her Friday or on a scheduled day off if pre-planned, approved vacation is scheduled the next day or on the prior day.

(f) Employees who have worked more than forty (40) overtime hours in the current pay period, are not eligible to sign up for voluntary overtime, unless pre-approved by the Chief of Police.

(g) Employees who sign up for an overtime shift and subsequently remove their names(s) after the posted "pull-date" for the sign-up sheet are responsible for finding a replacement for the shift. If no substitute can be found, the employee is required to work the overtime shift for which he or she signed up.

(h) When an overtime opportunity becomes open in any increment of up to three (3) hours, the overtime opportunity can be filled by requiring an on-duty employee to remain on-duty or that an employee scheduled on the upcoming shift arrive early, on a classification seniority basis.

(i) The Chief of Police has the management right to decline filling extra shifts that are grant funded. All other overtime opportunities (e.g. Seafood and Wine Festival) will be filled consistent with the current practice.

Any employee who does not work on account of sickness for a consecutive period in excess of three (3) shifts may be required to present his/her supervisor or department head with a signed statement from his/her HCP or attending qualified personnel, certifying to his/her inability to perform his/her duties. A copy of the appropriate HCP insurance form completed by the HCP shall constitute adequate verification of illness unless the employee was advised at or before the time he/she notified the City of illness of a requirement for more detailed information.

Section 5. **Workers’ Compensation.**

(a) Any illness or injury for which the employee does or should qualify for time loss payments from the Workers’ Compensation Fund shall not qualify for use of paid sick leave benefits.

(e) The City may use accrued sick or vacation leave to cover the employee’s share of all benefit premiums as well as Association dues during the period of workers’ compensation leave. Deferred compensation contributions will be halted.

(f) Employees who are returned to work on light duty are obligated to perform any light duty work offered to them by the City, provided that they are qualified for the work and that it meets the limitations set forth by their HCP. Efforts will be made to keep the work in the Police Department whenever possible.

Employees with a minimum of ten (10) years of service, who are laid off or retire from the City, will be permitted to cash-out all unused sick leave hours in excess of one-thousand (1,000) at a rate of twenty-five percent (25%) of their current base pay on the last day of work.

Section 7. Sick Leave Abuse.

Appropriate disciplinary action for the misuse of sick leave may be imposed. The parties recognize that the ability of an employee to attend work regularly is a job requirement.

ARTICLE 15 – HOLIDAY

Upon promotion, for example to Sergeant, each employee will be placed at the step in the appropriate grade that is closest to the current pay but no less than a five percent (5%) increase.

Section 6. Senior Officer Status.

(a) The parties agree that an officer with ten (10) or more years of experience with the Lincoln City Police Department who does not have an intermediate certificate and who lacks the academic credits required to obtain said certificate can request senior officer status. The officer may make a presentation to the Chief. The officer may have Association representation at said presentation.

(b) Or, an officer with four (4) years of police experience, or which at least one (1) year must be with LCPD and who possess an Intermediate certificate from DPSST shall be made a Senior Officer upon written request to the Chief.

(c) Police officers advancing to Sr. police officer shall be placed at the same step of the new grade.

Section 7. FTO Pay.

When assigned and working as an FTO, the officer will receive five percent (5%) of base pay for those hours worked with a trainee.

Section 8. Incentive Pay.

Incentive pay will be made up of three (3) opportunities for premium pay: certification pay, response time pay and ORPAT pay.

(a) Certificate Pay:

   i. Employees with an Intermediate Certificate from DPSST shall receive an additional two percent (2%) of their base pay. For employees hired
before July 1, 2011, a minimum of thirty four dollars and sixty two cents ($34.62) per pay period will be applied.

ii. Employees with an Advanced Certificate from DPSST shall receive four percent (4%) of their base pay. For employees hired before July 1, 2011, a minimum of sixty nine dollars and twenty three cents ($69.23) per pay period will be applied.

(b) Response Time Pay:

All employees of the Police Department are emergency responders. As such, employees must be able to respond to an emergency within twenty-five (25) minutes travel time from their residence to the LCPD. Those employees who meet and maintain the response/travel time requirement will receive one percent (1%) of their base pay. All employees hired after July 1, 2011, shall reside within a twenty-five (25) minute response time from the LCPD.

(c) ORPAT Pay:

Sworn employees will maintain flexibility and physical fitness and take the ORPAT twice annually. The DPSST standards for ORPAT are five minutes and thirty seconds (5:30). The City will conduct the first test upon ratification of the contract and then every six (6) months thereafter. Sworn employees who pass the ORPAT with a time of five minutes and thirty seconds (5:30) or less shall receive an additional two percent (2%) of their base pay for that six (6) months and each one where a passing score is obtained thereafter. At any point that an employee is unable to pass the ORPAT, they will forfeit the two percent (2%) incentive pay until their next passing ORPAT score.

Section 9. Longevity.

All employees shall be eligible for longevity awards based on the following criteria:

(a) Ten (10) years' continuous employment – an additional one percent (1%) of base pay.

(b) Fifteen (15) years' continuous employment – an additional two percent (2%) of base pay.

(c) Twenty (20) years' continuous employment – an additional three percent (3%) of base pay.

Section 10. Detective.

The assignment of a police officer or senior police officer to duty as a detective is a rotating assignment that can be reassigned at any time. During the period of the assignment to the detective slot, the police officer or senior police officer so assigned will be compensated at the first step in that range which would be at a higher salary.
level and not less than five percent (5%). Upon reassignment from detective, the employee will revert to the former range at the step assignment then appropriate, giving consideration to the step increases the employee would have been eligible for at the former range during the period of duty as detective. Regular step increases shall be implemented on an employees' anniversary date.

**Section 11. Pay Day.**

Employees will be paid every other week on Tuesday as set forth in the payroll calendar. If a pay day falls on a holiday, paychecks will be distributed on the last business day before the holiday. However, in order to facilitate the use of direct deposit via electronic funds transfer (EFT), the City and employees opting to use EFT will agree that employees' pay will be transferred via EFT in accordance with Federal law and each financial institution's EFT policies.

**ARTICLE 23 - PERSONNEL FILES**

**Section 1. Review Files.**

(a) Each employee shall have the right with reasonable prior notice to review and request a copy of the contents of his/her personnel file. At his/her option, he/she may be accompanied by an Association representative of his/her choosing.

(b) The employer shall not disclose the contents of personnel files except pursuant to Public Records Law or to a prospective employer as authorized in writing by the employee. The employer shall not release references or background investigations from prior employers.

**Section 2. Material Placed in File.**

Material which can be construed as derogatory towards the employee shall be provided to the employee when placed in an employee's personnel file. Such documentation shall clearly state the intent to place it in the personnel file. The employee shall be provided a copy of the document in hard copy and electronically.

**Section 3. Right to Refute in Writing.**

If an employee believes that there is material in his/her personnel record which is incorrect or derogatory, he/she shall be entitled to prepare, in writing, his/her explanation regarding the particular material, and this shall be included as part of the personnel record.
Section 4. Removal of Material.

Non-disciplinary letters of correction, warning, consultation, and admonishment, may be retained in the personnel records unless the original and all copies are removed at the employee's request. If there is no recurring performance issue, an employee may request removal after twelve (12) months, and the records will be removed, unless the City finds that the particular record is timely and relevant to a current performance or discipline issue. Materials which are removed shall be maintained in a separate system of records not identifiable by name which may not be used to support greater discipline in the progressive discipline system. Other non-economic discipline is subject to removal in the same process as non-disciplinary documents, after twenty-four (24) months. Economic discipline, a last chance agreement, work plans, letters of commendation and other recognition shall be retained.

ARTICLE 24 - DISCIPLINE AND DISCHARGE

Section 1. Disciplinary Measures.

(a) Disciplinary action shall be only for just cause. Discipline includes the following steps and shall normally be progressive as outlined below but the disciplinary process may be entered at any step depending upon the severity of the incident causing the disciplinary action:

A. Verbal reprimand, which may be documented in writing;
B. Written reprimand;
C. Reduction in pay;
D. Suspension without pay;
E. Demotion;
F. Discharge.

(b) The City shall not impose a reduction in pay, suspension without pay, demotion or discharge of a non-probationary employee without appropriate pre-disciplinary due process procedures. Counseling is not disciplinary in nature.

(c) Effect of Verbal Reprimand. Verbal reprimands over one (1) year old shall not be a basis for progressive disciplinary actions. Verbal reprimands are not subject to grievance beyond Step 2.

Section 2. Due Process.

Pre-disciplinary "due process" means written notice of the charges and the facts upon which the charges are based, notice of the maximum range of discipline under consideration, and an opportunity to meet with the decision maker or his/her designee. The City shall provide the Association and the affected employee with all the documents which are relied upon. The employee or the Association may submit a written rebuttal to

-34-
Section 3. **Avoidance of Embarrassment.**

If the Chief of Police or designee has reason to discipline an employee the Chief of Police or designee shall make a reasonable effort to impose such discipline in a manner that will not unduly embarrass the employee before other employees or the general public.

Section 4. **Association Representation in Interview and Discipline Process.**

The City acknowledges the right of the employee to have a representative of the Association present at meetings with the employee, which could lead to discipline. In a disciplinary or administrative investigation, the employee's chosen representative may not be required to disclose, or be subject to disciplinary action for refusing to disclose statements made by the employee to the representative for purposes of representation.

Section 5. **General Procedures.**

(a) **Potential Discipline Situations.** Any employee who will be interviewed at a disciplinary interview concerning an act which, if proven, could reasonably result in disciplinary action involving loss of pay or dismissal, will be afforded the following safeguards:

i. The employee and the Association will be informed that a formal investigation is commencing, unless the employee is under investigation for violation of the Controlled Substance Act, or violations which are punishable as felonies or misdemeanors under law, or if doing so would jeopardize either the criminal or administrative investigation.

ii. At least seventy-two (72) hours prior to a disciplinary interview by the City of an employee, the result of which could be that the City may impose an economic sanction upon the employee as a result of the underlying incident, the employee and the Association will be informed, in writing, of the nature of the investigation and the specific allegations, policies, procedures and/or laws which form the basis for the investigation at that time; the employee will be afforded the opportunity to consult with an Association representative; and the City will provide a written statement of essential facts which would support any contemplated basis of discipline.

The employee shall be allowed the right to have an Association representative present during the interview. The opportunity to
have the Association representative present at the interview shall not delay the interview more than four (4) hours, except for minor complaints (incidents for which no more than a verbal warning may result) which may be handled immediately when a representative is not readily available. However, if in the course of the interview it appears as if a more serious disciplinary problem has developed, the employee will be allowed up to four (4) hours to obtain a representative to be present at the interview.

iii. All interviews shall take place at Department facilities, or elsewhere if mutually agreed, unless an emergency exists which requires the interview to be conducted elsewhere.

iv. The City shall make a reasonable good faith effort to conduct these interviews during the employee’s regularly scheduled shift, except for emergencies. However, where the Chief or the Chief’s designee is a party to the interview, the City may schedule the interview outside the employee’s regular working hours as long as the appropriate overtime payments are made to the employee. Where an employee is working on a graveyard shift, the City will endeavor to conduct the interview contiguously to the employee’s shift.

v. The employee will be directed to answer any questions specifically involving the non-criminal matter(s) under investigation and will be afforded all rights and privileges to which they are entitled under the laws of the State of Oregon or the United States of America. As soon as it is determined that the employee may be charged with a criminal offense, the employee will be informed of the employee’s right to consult with criminal defense counsel with respect to the employee’s charge.

vi. The employee shall be entitled to such reasonable intermissions as may be requested for personal necessities.

vii. All interviews shall be limited in scope to activities, circumstances, events, conduct or acts which pertain to the incident which is the subject of the investigation. Nothing in this section shall prohibit the City from questioning the employee about information which is developed during the course of the interview. The employee shall be given a copy of any written or recorded statement made by the employee in an interview before subsequent interviews in the same investigation.

viii. The City shall tape record the interview and a copy of the complete interview of the employee shall be furnished, upon request, to the Association. If the interviewed employee is subsequently

-36-
disciplined, the recording shall be furnished to the employee and the Association. If the City chooses to transcribe it, then the transcription will be provided to the employee and the Association.

ix. Interviews and investigations shall be concluded without unreasonable delay.

x. The employee and the Association shall be notified in writing of the results of any investigation, and for non-criminal investigations, those results must be presented in writing to the employee and the Association within forty-five (45) days from the completion of the investigation that leads to discipline. If not, the employee will be exonerated of all charges.

(b) **Use of Deadly Force Situations.** Employees involved in the use of deadly force shall be advised of their rights to and shall be allowed to consult with an Association representative or attorney prior to being required to give an oral or written statement about the use of force. Such right to consult with a representative or with counsel shall not unduly delay the giving of the statement.

(c) Section 5 shall not apply to a criminal investigation conducted by another law enforcement agency. This section shall not prevent informal inquiry following an event which will be formally investigated in order to ascertain what occurred to the best of the involved officer’s ability to recall, provided however, that the City shall only rely upon the involved officer’s formal interview statements for all administrative purposes.

**ARTICLE 25 - GRIEVANCE PROCEDURE**

**Section 1. Procedure.**

Any grievance dispute which may arise between the parties to this Agreement regarding the application, meaning, or interpretation of this Agreement shall be settled as set forth below:

(a) When documents are delivered to the Association, they shall be delivered to the Association President or designee.

(b) **Pre-Grievance Resolution Effort:** The parties are encouraged to discuss and resolve issues whenever possible prior to filling a Step 1 grievance.

**Step 1: Chief of Police.** The employee or the Association shall within fourteen (14) calendar days of either (a) the date of the occurrence of the alleged violation, or (b) the date the employee should have made the discovery, or (c) in matters concerning
payment of monies or accrual of paid time off the date of the employee's discovery thereof, submit the grievance in writing to the Chief of Police.

As a minimum, such grievance shall specify the following:

(a) The specific action (or lack of action) taken by the City that is the cause of the grievance.

(b) The specific provision(s) of this Agreement that the employee or the Association believes that the City has violated.

(c) The action that the grievant believes that the City should take in order to correct the condition that is the cause of the grievance.

(d) Written argument which supports why the Association feels the City violated a provision(s) of the contract.

The Chief of Police shall respond in writing to the employee and his/her Association representative within fourteen (14) calendar days following receipt of such written grievance.

**Step 2: City Manager.** If the grievance still remains unsettled, the employee or the Association shall, within fourteen (14) calendar days after the reply of the Police Chief is due, submit the grievance to the City manager. The City Manager shall respond in writing, within fourteen (14) days following the receipt of the grievance.

**Step 3: Arbitration.** If the grievance still remains unresolved, the Association may submit the grievance to binding arbitration and notify the City of its intent in writing within fourteen (14) calendar days of the date that the receipt from the City Manager is due.

**Section 2. Selection of Arbitrator.**

Following receipt of notice of intent to arbitrate, the Association and the City shall have seven (7) calendar days in which to mutually agree upon an arbitrator. If the parties fail to select an arbitrator within the allotted time, the City Manager and the Association shall alternately strike names from a list of Oregon and Washington arbitrators supplied by the Employment Relations Board. The list shall contain the names of thirteen (13) arbitrators. The first strike shall be determined by a coin flip and the parties shall thereafter alternately strike names until one (1) name remains. The arbitrator shall then be notified of his/her selection by the parties.

**Section 3. Arbitrator's Decision.**

The arbitrator shall establish a mutually agreeable date for hearing and shall render a decision within thirty (30) calendar days at the close thereof. The power of the arbitrator shall be limited to interpreting this Agreement and determining if it has been violated and to resolve the grievance within the terms of this Agreement. The powers of the
arbitrator shall be limited to interpreting the express provisions of this Agreement and determining if it has been violated. The arbitrator shall have no power to alter, modify, add to, or detract from the terms of this Agreement. The decision of the arbitrator shall be final and binding on both parties.

Section 4. Cost of Arbitration.

Expenses for the arbitrator’s services shall be borne by the losing party as determined by the arbitrator. However, each party shall be completely responsible for the cost of preparing and presenting its own case, including compensating its own representatives and witnesses. If either party desires a record of the proceedings it shall solely bear the cost of such records unless the other parties desire a copy of the record, in which case the total cost of the record shall be equally shared by the City and the Association.

Section 5. Time Limits.

All time limits contained herein shall be considered the maximum and shall not be extended except by written agreement. If the Association or an employee should fail to file a grievance in a timely manner or if other requirements as specified in the above steps are not fulfilled, the Association shall be deemed to have been withdrawn. If the City should fail to respond in a timely manner at any step specified herein, such non-response shall be deemed equivalent to a negative response submitted upon the last day allowed for reply and the Association or employee as applicable shall have the right to proceed to the next step.

ARTICLE 26 - CRIMINAL INVESTIGATION/CHARGE REIMBURSEMENT

The City agrees to reimburse an Association member for the reasonable, usual and customary legal fees charged by an attorney as a direct result of criminal charges or a grand jury appearance against the Association member arising out of the Association member’s involvement in the proper performance of his or her duty as an employee for the City of Lincoln City. The City’s obligation of reimbursement is subject to the following:

To receive reimbursement under this Article, the Association member must select an attorney from a list of attorneys that has been mutually agreed upon by the Lincoln City Police Officers’ Association and the City’s attorney. Neither party shall unreasonably oppose the inclusion of an attorney on the list. Within sixty (60) days of the execution of this Agreement, the Association shall submit to the City’s attorney the names and professional biographies of the attorneys the Association proposes for inclusion on the list. If the City’s Attorney does not object, in writing, to an attorney on the list within twenty (20) working days, the attorney shall be included on this list. The names on the list shall be reviewed every six (6) months upon the request of either party. If no attorney on the list is available to represent an Association member, the Association member may
obtain another attorney of his or her choosing, however, the City's obligation to reimburse will arise only if the City's attorney receives written notice of the selected attorney from the Association within three (3) calendar days of the Association member or Association learning of the lack of availability of an attorney from the predetermined list. Following the initial meeting between the Association member and the attorney, the Association shall arrange for the attorney to provide the City, at no cost to the City, a preliminary estimate of the anticipated legal fees, costs and expenses. This preliminary estimate shall be directed to the City's attorney, the Chief of Police, and the Association.

Before becoming obligated under this Article, the City shall be presented with a sworn affidavit by the attorney listing an hourly breakdown of the time spent and a brief description of the purpose of such time. The attorney shall account for and value time at the attorney's most favorable rate, not to exceed $160.00 per hour. If the City, in its discretion, feels the charges exceed the reasonable, usual and customary fees normally charged, the parties shall submit the matter to the Oregon State Bar Fee Arbitration program for resolution. The decision of the OSB fee arbitrator or arbitration panel shall be final and binding as to the City's obligation under this Article. Under no circumstances shall the provisions of this Article give rise to a claim of any sort against the City by the attorney retained or selected by the Association member.

Reimbursement will not be made in those instances where:

1. The Association member is convicted by verdict or plea, or pleads no contest to any criminal charges arising out of the incident;

2. The Department sustains any disciplinary charge(s) on the basis of the Association member's actions which formed any part of the basis for the possible criminal liability unless the Department's disciplinary action is set aside in toto on grievance appeal;

3. The City shall have no obligation to reimburse an Association member, the Association or counsel for the Association for costs or legal fees in any instance where the Association member or the Association elect to have counsel for the Association represent the Association member involved in the incident at any stage of the criminal proceeding, including, but not limited to, any grand jury proceeding;

4. The City shall have no obligation to reimburse an Association member, the Association, or counsel for the Association for costs or legal fees associated with representation at pre-disciplinary procedures; or

5. The City shall have no obligation to reimburse an Association member, the Association, or counsel for the Association for fees associated with representation at or in conjunction with the filing of a civil claim except in accordance with the Oregon Tort Claims Act.
Any reimbursement required by the City shall be made only at the conclusion of all criminal and disciplinary proceedings against the Association member relating to or arising out of the incident and are subject to the following monetary maximums:

- Legal fees relating to a grand jury investigation and/or appearance: $5,000.
- Legal fees relating to post-grand jury indictment or other charging instrument: an additional $5,000.

ARTICLE 27 - SCOPE OF AGREEMENT

This document constitutes the sole and complete Agreement between the Association and the City and embodies all the negotiated terms and conditions governing the employment of employees in the bargaining unit. The parties acknowledge that they have had the opportunity to present and discuss proposals on any subject which is or may be subject to negotiation. Any prior written or unwritten commitment or agreement between the parties and any individual employee covered by this Agreement is hereby superseded by the terms of this Agreement. Except as specifically limited by the terms of this Agreement, it is recognized that the responsibilities and authority of management are exclusively functions to be exercised by the City. All rights guaranteed to the employees under ORS 243.650 - 243.782 to negotiate wages, hours, and conditions of employment are retained by the bargaining unit employees, except as otherwise provided by this Collective Bargaining Agreement.

ARTICLE 28 - SAVINGS CLAUSE

Should any section or portion of this Agreement be held unlawful and unenforceable by any Federal or State legislation, court of competent jurisdiction or Federal or State administrative body, such decision shall apply to only the specific portion or section thereof directly specified in the decision. Upon issuance of such a decision, the parties agree immediately to negotiate a substitute, if possible, for the invalidated section or portion thereof.
ARTICLE 29 - TERM OF AGREEMENT

This Agreement shall be effective and retroactive the 1st day of July, 2011 and shall remain in full force and effect through the 30th day of June, 2014. This Agreement shall remain in full force and effect for the duration of any successor negotiations.

To open negotiations for a successor agreement, the Association shall notify the City of its intent to modify or add to the existing Agreement no later than January 15, 2014.
